

ROLLING HILLS GOLF CLUB

Volume 2, Issue 7

July 2017

President's Message

As we head into the hot summer months, the Board would like to remind everyone to take the necessary precautions on the course to avoid heat stroke. Please use carts and avoid walking. Drink plenty of fluids. Use a wet towel to cool yourself off. Wear a hat. When waiting for other golfers to hit, wait in the shade. Play quick—in under 4 hours and 15 minutes.

Summer is also the time when there are a lot of returning students on camp. Many of these students also golf. Remember that only students that have a valid driver's license are allowed to drive golf carts on the road. Aramco Security will ticket any student that does not have a valid driver's license they catch driving a golf cart — and there goes your PMP.

See you on the course,

-Dave

"Bummer, Big Shooter. Looks like you're in the rough."

From the Pro

Ask Carl

Q: It's really hot outside now. It would be nice to buy some ice cream in the club house. Is this a possibility?

A: That is an excellent idea. In fact, a freezer has already been purchased for ice cream and the Board hopes to sell ice cream in the club house shortly.

Q: Why are the medals in the summer open play?

A: During the summer months the number of golfers in tournaments dip a bit due to people being out on holidays and also because of the heat. To help encourage people to play, we make the summer medals open play.

Q: Can the course stay open later at night?

A: That's a great suggestion. The Board will discuss it at the next Board meeting.

If you would like Carl to answer a question, please email a Board member and they will make sure Carl gets it.

Junior Golf

The RHGC Junior Golf Event that was held on June 3rd was a great success. There were many new young players out on the course along with some seasoned adults to help them learn. The next event will be held in September. Hope to see more up-and-coming golfers there.

USGA and R&A developing world handicap system

The USGA and R&A announced that they have formed a joint committee to develop a single, world handicap system and plan to announce proposed measures later this year. Under the current system, more than 15 million golfers, across 80 countries, have registered handicaps among six systems across the world - the USGA, Golf Australia, Argentine Golf Association, South African Golf Association, European Golf Association and Council of National Golf Unions (CONGU) in Great Britain and Ireland.

They have been working with golf organizations across the world for the past two years with the hope of unifying the handicap system under a new measure that "takes into account the many inherent golf cultures and most common formats of play." Per USGA, "With one global system, golf courses will be rated and handicaps calculated in a consistent manner everywhere in the world"
