##### 1.2 Handicap/Peer Reviews

1. No peer reviews requested since last meeting
2. Annual Handicap Review underway
3. **Exceptional Score Reduction (ESR) Report.** WHS introduced ESR 1/1/2020 which is a system calculated adjustment for exceptional scores which is one reason why Manual (M) adjustments have significantly been reduced. During 2020 for currently active ForeTees members, 50 ESRs have been done by GHIN. Of these, 37 are still active (eg 20 scores have not passed yet). **See attached list for FYI.** These also show up on players GHIN scoring record, so it is important each player regularly reviews. There were another 14 ESRs for members who are no longer active, but still have RHGC as their Home Course.

NOTE: See prior reports for historical info

#### (3) SAGA Clubs Project:

SAGA Clubs asked us if they could use our GHIN contact, as their GofSoftware.com system is not WHS compliant. Elevated to Exec Board before approaching contact at USGA/TGA to ask if we can use our TGA GHIN contract. Initial response from the USGA/TGA: *in order to make exception for other SAGA courses (like USGA originally did for RHGC) they would need letter from Company that these courses are part of Aramco* . This was provided by RHGC President from SAGA President and we sent to USGA/TGA on 8/30. TGA then followed up and requested slope/rating documentation for these courses before they escalate. **11/8 UPDATE:** Available slope/rating documentation was provided to RHGC President who is following up with SAGA courses for missing info.

#### (4) Special Project with Tournament Director:

Tech Rep from USGA/TGA for TM/GG system contacted me about issues he sees with how RHGC is updating master roster data in that system. Put him in contact with Jeff Meisner who has been answering their inquiries. USGA/TGA has come back with some suggestions for re-engineering our process flow related to Membership, GHIN and TM/GG. Jeff is looking into some options before we propose to TGA. **11/8 UPDATE:** Steve sent Jeff draft input on proposed New Member Process on Sept 20th. Waiting next draft.

### 3 Education

<b>Month</b>	<b>Topic</b>
November	Two Basic premises of World Handicap System
November	RHGC Local Rules Updated October 13th

NOTE: See prior updates for previous months articles, etc.

## Handicap & Rules Update November 8, 2020 Board Meeting

### RULES

**Getting Organized:** Reviewed Committee Procedures from Rules of Golf for how best to organize Rules Committee incl members. Coordinated with Grounds Director who is on Committee per updated R&R. Also will consider requests from Tournament Committee as Rules are organized by Casual vs Competition Play.

- 1 **11/8 UPDATE:** Update to Local Rules approved by Rules Committee were posted to RHGC website eff. Oct 13th. These included 1) clarification of OOB markings, and two revisions 2) Any stroke played that hits a floodlight pole, must be cancelled and replayed and 3) maximum score for handicap purposes per WHS, versus the old reference to ESC which was pre 2020.

### **Course Markings**

First priority will be on this area eg, out of bounds stakes. Walked course with Grounds Director on 8/31 and

- 2 finalized planned changes for OOB markings. **11/8 UPDATE:** The current as-is state of OOB markings were added to Local Rules update v 10/13. As Grounds makes changes to the planned OOB markings on the course, we will update the Local Rules, as applicable.

Walkway being constructed next to the course boundary on hole 2: A new walk way at the other side of the hedges on Hole 2 is being constructed very close to the hedge line (like Hole 3) so Community Services will need to advise when this walkway will become operational and need to be informed of the need to install a net to cover the boundary of the course to protect walkers. CLOSED, information item, this was communicated to Board in prior meeting and it is being followed up on outside HC.
