

## Policy for Use of RHGC Launch Monitor at Driving Range

1. Introduction:  
This policy and procedure provide guidelines for the use of the RHGC launch monitor at the driving range to ensure safety, fairness, and optimal utilization of the training aid.
2. Purpose:  
The primary purpose of the launch monitor is to provide accurate data and feedback to golfers for swing analysis and skill improvement.
3. Authorized Users:  
The launch monitor is available for use by any RHGC Member, in good standing, during operational hours. All users must adhere to the rules and regulations set forth by the RHGC Board. By using the launch monitor at the driving range, users agree to abide by the terms and conditions outlined in this policy.
4. Booking Procedures:  
Users must book a 45 min session with the launch monitor in advance, through the ForeTees Application. Sessions are booked on a first-come, first-served basis, and users are allotted a specified time slot.
5. Safety Precautions:  
Users must follow all safety instructions provided by the RHGC Proshop and driving range staff. Keep the designated area around the launch monitor clear of obstacles and other individuals.
6. Equipment Handling:  
Handle the launch monitor equipment with care to prevent damage. Report any malfunction or damage immediately to the RHGC Proshop. Users are responsible for any damage caused by **abnormal misuse or negligence**.
7. Fair Usage Policy:  
Users are expected to respect the allocated time for their session and yield to the next scheduled user promptly. Sessions may be monitored to ensure compliance with the fair usage policy.
8. Prohibited Activities:  
Users must refrain from altering or tampering with the launch monitor settings without permission. Food, beverages, and smoking are not permitted in the vicinity of the launch monitor. The launch monitor is only to be used on the RHGC practice facilities and is not to leave the RHGC complex. Late return of the device to the RHGC Proshop will incur a fine, and may lead to a suspension from using the launch monitor.

9. **Fees and Charges:**  
Fees for using the launch monitor are outlined in the RHGC pricing structure, as stated within the club website. All payments will be deducted from individuals Members RHGC Proshop account. It is the responsibility of the Member to ensure they have sufficient funds in their account prior to collection and use of the launch monitor.
10. **Enforcement:**  
Failure to comply with this policy may result in suspension or termination of access to the launch monitor, and/or other club privileges. The RHGC Board reserves the right to enforce penalties or take legal action against violators.
11. **Amendment and Review:**  
This policy is subject to periodic review and may be amended as necessary by the RHGC Board. Users will be notified of any changes to the policy in advance in the RHGC Newsletter, email communications, and website.

### **Procedure for 45-Minute Allocation of RHGC Launch Monitor**

1. **Booking and Set Up Process:**
  - Log in to the RHGC ForeTees mobile app using your registered account credentials;
  - Navigate to the section for booking facilities/services;
  - Select the option for " Driving Range Launch Monitor";
  - Acknowledge fee structure and acceptable use declaration;
  - Choose the date and time slot for your 45-minute session;
  - Ensure you have sufficient funds within your RHGC Membership account held at the Golf Proshop;
  - Download the Garmin Golf App to your mobile device prior to attending the RHGC facility for your session;
  - Create a Garmin Golf account prior to attending the RHGC facility for your session.
2. **Confirmation:**
  - Upon successful booking, you will receive a confirmation email or notification containing the details of your reservation;
  - Make note of the date, time, and any specific instructions provided.
3. **Cancellation:**
  - The fee for a canceled session is nonrefundable, however, the fee can be put forward for the next session booked.
4. **Arrival:**
  - Arrive at RHGC at least 10 minutes before your scheduled session;
  - Check in at the RHGC Proshop to confirm your booking;

- Provide your booking reference or identification to the staff member on duty, and pay from your Membership account;
  - Collect the launch monitor.
5. Session Setup:
- Connect to the launch monitor by Bluetooth to your mobile device;
  - Ensure that the launch monitor equipment is set up and calibrated properly before starting your session;
  - Verify that all safety precautions are in place and that the area is clear of obstructions.
6. Session Utilization:
- Use the 45-minute allocation effectively for swing analysis or practice drills.
  - Adjust your technique or equipment based on the feedback provided by the launch monitor.
7. Check-Out and Feedback:
- As the end of your session approaches, wrap up your activities and prepare to return the launch monitor to the RHGC Pro shop;
  - Once your 45-minute session is complete, check out at the RHGC Proshop and hand back the launch monitor;
  - If you encountered any issues or have feedback regarding your session, feel free to share it with the RHGC Board.
8. Penalty Fee
- Should the Member fail to return the launch monitor prior to the RHGC Proshop closure, an additional fee of 100 SAR will be deducted from the RHGC Proshop account, and may lead to a suspension from using the launch monitor.
